ESTATE DONATIONS POLICY

All designated (restricted) donated funds will be used for the sole purpose for which it was earmarked for by the donating family as soon as appropriately feasible, unless otherwise stipulated within the will of the deceased and/or original terms of the donation.

All undesignated estate funds are to be placed in an internally restricted reserve for the purpose of funding significant capital projects. In order for funds to be withdrawn, the executive director will create a proposal and relevant business case to be presented to the board. Pending board approval, the funds will be released for the design, necessary permitting, and construction of the project. Under no circumstances are the internally restricted estate donations to be used for general operating costs.

Until such a time that the internally restricted estate funds are used they are to held in a separate interest yielding bond account of limited risk exposure. Under no conditions are funds to be used to invest in stocks, shares, ETFs, or any other financial investment that contains inherent financial risk. All interest accrued will remain within the internally restricted estate fund.

FROM THE REHOBOTH BOARD

BOARD PRESIDENT UPDATE

I bring you greetings from the Rehoboth Board! In June, we said goodbye and thank you to outgoing board member and treasurer, Stefan Dykema, and now our board is currently comprised of seven people: Johan Knol as Vice president, Joy Monsma as Secretary, our new Treasurer Jim Beusekom, Bob Dykstra as the General Alternate, and Janet Postma and Wendy Abma as Directors. It is our pleasure to serve on this board and our Heavenly Father has blessed our efforts as we have made decisions and continue to make decisions related to the past, present, and future direction of Rehoboth. Many changes have been made in the past several years that are related to structure, governance, and efficiencies within to better serve those who cannot always speak for themselves. We can only do this with the Lord's blessing and guidance, to 'make room' for these very special and dearly loved people. In order to do this in the best way possible we would like to find two to three additional people to round out the board to nine or 10 people. If you feel you may be interested in serving on this board, or if you know someone who would possibly be a good fit, please consider this prayerfully and send me a note at president@rehoboth.ab.ca. I would love to chat with you about this and I will do my best to answer your questions.

Our membership drive is set for the month of October again. This is always an exciting time for Rehoboth as commitments are renewed, and new

members come on board. Thank you to all of you who continue to be members for many years now; your dedication is inspiring for us all. Please renew your memberships and encourage others in your household, your family or your churches and communities to join as well. The memberships give all of those working hard at Rehoboth a big boost, knowing that all of you are behind them and supporting them. It also allows Rehoboth and the board to have more impact when it comes to working with our provincial government. At just \$10 per membership it is an inexpensive way to have a very big impact! Our goal is to have 4,000 members across Alberta. Thank you to our wonderful team of Rehoboth Canvassers! Your efforts are very much appreciated as you work behind the scenes making all of this happen.

I could not write something in this newsletter without touching upon our Rehoboth Camp near Gull Lake. Kevin Debree, the Camp Manager, runs a tight ship over there keeping it running smoothly as he juggles maintenance, administrative, and future vision duties just to name a few responsibilities. Our two youngest daughters, Adrienne and Charlotte once again volunteered as Camp Counselors this summer. It was such a blessing to visit them on Talent Night, meet their campers and see their smiles and laughter as they performed skits, sang, and made all of us visitors feel so welcome. A big shout out to all the many, many individuals who volunteer at Camp Rehoboth! Those of you who have not visited or

volunteered at this camp are truly missing out! Please consider making this part of your plans for Summer 2020. Follow the links on the Rehoboth webpage to learn more.

On behalf of the Board, I would like to thank you for your encouragement, kind words, and your support. As board members we try as much as possible to attend Rehoboth fundraisers and celebratory events, so feel free to pull us aside and chat with us as we love to talk about Rehoboth. For an up to date listing of all the upcoming events, visit rehoboth.ab.ca and follow Rehoboth on Facebook, Twitter and Instagram.

As there is much more work to do, we covet your prayers as we work to serve and do what we can to fulfill our mission and mandate as a governance board. We have quarterly board meetings, strategic planning meetings, etc. and we do all this humbly, in prayer and thanksgiving all the while looking back at how blessed Rehoboth has been and looking forward to what God has in store for us as we work in His service.

In Christ, Sheldon Kok

EXECUTIVE DIRECTOR UPDATE

In April, I had the privilege of attending an excellent convention hosted by our friends in BC at Bethesda Christian Association, an agency that provides services very similar to Rehoboth here in Alberta.

The convention is an annual workshop attended by senior leadership representing Christian faith-based agencies from across North America who provide services and supports to people with intellectual disabilities. Our first convention was hosted in 2015 by Christian Horizons in Ottawa and our purposes in coming together are rooted in:

- What it means to be a Christian service provider with cultures and practices rooted in Christian norms and values
- Developing strategic partnerships and how we can learn from each other – none of our agencies need to face challenges alone!
- Working together to enhance research and capacity building

At the April convention at Bethesda, we were challenged and invigorated by presentations and roundtable

discussions on various topics including: What does it mean to be a Christian organization and engage a diverse workforce? How do we live faithful to God in a world that's not? Custodial versus developmental support. Risk and board governance.

A highlight of this year's convention was a fascinating presentation by Mr. Kevin Boonstra, who was the lead counsel on the Trinity Western University Law School Supreme Court challenge. He took us through this journey, explained how it has changed, and is continuing to change, Canada's legal landscape (e.g., the Canada Summer Jobs policy in 2018, independent schools in Alberta and GSA clubs, Physician Assisted Dying Law Bill C-14, etc.) and offered practical suggestions for organizations concerned about their place in a secular world.

All in all, our coming together again was a rewarding and learning experience for everyone. We were blessed by the opportunity to learn together, to hear of challenges common to all of us, to have fellowship, and most importantly

to pray together. The words of one of the day's devotions remain with me: "Let us not become weary of doing good, for at the proper time we will reap a harvest if we do not give up. Therefore, as we have opportunity, let us do good to all people, especially to those who belong to the family of believers." – Galatians 6: 9-10

DID YOU KNOW?

2019 was the 20th Annual Fundraising Gala in our Central Region!

Rehoboth's Annual General Meeting was held in June in Edmonton Region for members to hear the review of the 2018-2019 fiscal year and plans for the future. The 2018-2019 Annual Report and draft AGM minutes are available on our website.

OCTOBER IS **MEMBERSHIP** MONTH

\$10 MAKES A DIFFERENCE

Ten dollars doesn't get you much these days. It'll get you one Costco pizza. Ten bucks will get you a single combo meal at Wendy's (but no upsized). Ten will get you a work-week's worth of Double-doubles from Timmy's.

A single 10-spot simply doesn't go far – unless you invest it in something more essential and longer-lasting than fast food or a coffee-on-the-go.

Why not take your \$10 and invest it in a Rehoboth Christian Ministries **Membership**?

Your \$10 membership, combined with memberships from Rehoboth supporters throughout Alberta – from Grande Prairie to Coaldale – becomes a powerful tool in the ministry to support adults with developmental disabilities.

What else does your \$10 membership do? It enables Rehoboth to:

- Help support individuals with disabilities and their families through effective, Christian-based programs and services

- Advocate for and support the needs, rights and abilities of people who live with disabilities.
- Strengthen our profile and performance as a major Christian service provider in Alberta

And as a member, you receive voting privileges for items presented at the Annual General Meeting or at Special Meetings.

Please consider becoming a new member, or renewing your annual membership.

The apostle James writes about true religion manifesting itself in how we care for those among us who are less fortunate or need greater assistance. Deuteronomy 24: 17-22 speaks of God's desire for his people to show justice and generosity toward them, so that giver and receiver may both be blessed.

Thank you for considering a Rehoboth Christian Ministries **Membership**. To make room for those with disabilities, to help them flourish!

DID YOU KNOW?

Rehoboth launched its first "10 PLUS Campaign" in 1982. This was to encourage supporters to renew or become members (\$10) and donate to assist with the ever growing needs of the organization.

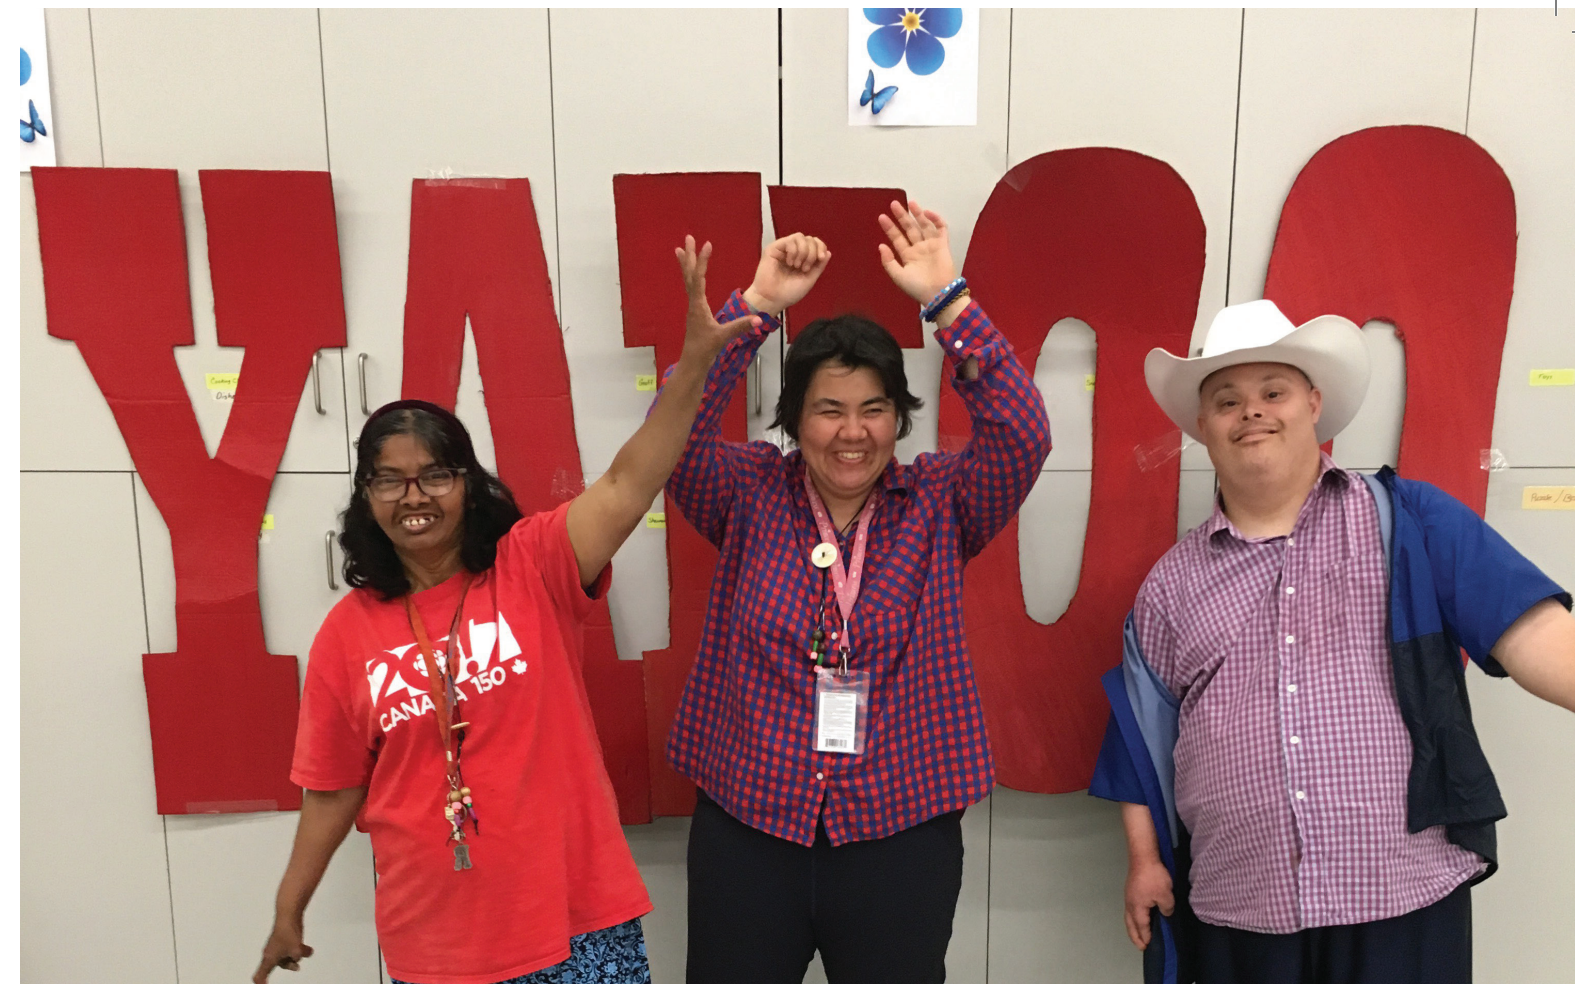

IN ACTION

STAMPEDE BREAKFAST

The griddle was hopping with pancakes and sausages for this year's Stampede breakfast, and there was a lot of excitement and YAHOO energy for this year's event. Halfway through the cooking we ran out of propane, and had our knight in shining armour, Derek

Faint rescue us with a new tank, just in time to finish cooking. Everyone was happy to lend a hand including clients, staff and families! They provided delightful decorations and did a great job with clean-up. A fun day was had by all. See you all next year!

ESTATE DONATIONS

In January 2019, the Rehoboth Board approved the allocation of \$90,000 in Estate Donation funds toward capital improvement projects this year at Rehoboth-owned properties. These monies from generous supporters of Rehoboth made the following improvements possible:

- And still to be completed this year, replacement of the kitchen cabinets at our Five Gables bungalow in Edmonton.

Rehoboth thanks the estates that have made this work possible.

- An expansion of the Rehoboth greenhouse and woodshop retail store in Coaldale, including a new primary entrance for improved traffic flow in and out of the store.
- Replacing the concrete driveway at our Genesis bungalow in Edmonton, and the installation of a new garage overhead door.
- Installation of new vinyl siding on our Kneehill duplex in Three Hills.
- New shingles on our Cavanagh bungalow in Stony Plain.
- Two new concrete driveways at our New Beginnings/Twain duplex in Grande Prairie.

FUNDRAISING

20TH ANNUAL CENTRAL GALA

The Three Hills Fundraising Committee, comprised of volunteers and staff, hosted an evening full of great food, heart warming entertainment and client recognition. Funds raised were in support of special client outings and programming opportunities within the Three Hills vocational program. Rehoboth is blessed to have such strong community support and we are thankful for everyone of that made this night a success!

COALDALE'S SPRING FUNDRAISERS

Rehoboth's Open House & BBQ held in May was another huge success! The Sunshine Auxiliary had their best bake sale to date, with donations \$1500 raised! What wonderful committee support! Together with the BBQ, more than \$7,000 was raised.

before. The weather was beautiful, so many people enjoyed their dinner out on the patio area, and after dinner, many people checked out the sensory park that is being built on the north side of the vocational centre.

Thanks to all our many volunteers who work so hard to make these events such a success. From all our clients and staff, our gratitude is heartfelt. And many thanks to everyone who came out and enjoyed our BBQ & Pork Roast. We appreciate your ongoing support.

The Pork Roast held in June was also one of the best ever...with more than \$8000 raised! We had more members from the Coaldale/Lethbridge communities come out and join us for dinner than ever

3RD ANNUAL SHOW & SHINE

Edmonton Region hosted its 3rd Annual Show & Shine on July 27th. The beauty of 51 classic cars, trucks and bikes filled the field behind Rehoboth's Edmonton and Corporate Office while inside, the silent auction was bigger and better than ever! The community was in full support of Rehoboth, spending the day between cars, eating, bidding and enjoying the weather; thankful the rain held off until the end of the day. This year also welcomed some local businesses such as The Whole Scoop with their mobile ice cream station. Proceeds from the Show & Shine, in combination with the Leder Family Hoedown, are in support of accessible transportation for the vocational program.

18TH ANNUAL HOEDOWN

The Leder Family's 18th Annual Hoedown in the Edmonton Region was, as always, a success, raising over \$18,000. Even the rain didn't stop supporters from donning their western wear and dancing the night away. A delicious dinner was followed by raffles and games, including chicken poop bingo with a reticent hen, and line dance lessons. The Leder family continues to bless Rehoboth with their time and generosity. Donations from the Hoedown will be put toward accessible transportation for the region.

ENGLISH AS A SECOND LANGUAGE

Angelina, originally from Mexico, moved to Canada with her family in July 2010. Originally Angelina didn't know any English but is thankful to have had teachers and principals in school that were patient enough to teach her. During 2011-2015 she attended Taber Christian School where one of her teachers assisted her to increase her independence through the use of technology.

After graduating in Taber in May 2018, Angelina began services with

Rehoboth the following August. She enrolled at the Lethbridge College in the fall, working towards a certificate in Business Administration, with the support and assistance from Rehoboth staff. Angelina requires support for transportation to and from college, completing homework and creating good studying habits with encouragement. Currently achieving marks in the 90% range, Angelina is proud of the hard work she has put in and is grateful for Rehoboth's ongoing support.

Angelina's top skills include her strength and dedication, evident in her ability to adapt to a new country, learn a new language, switch schools, graduate and begin her certificate in business administration at Lethbridge College. She is an inspiration to us all! Rehoboth staff are by Angelina's side, supporting her throughout her journey and singing her praises.

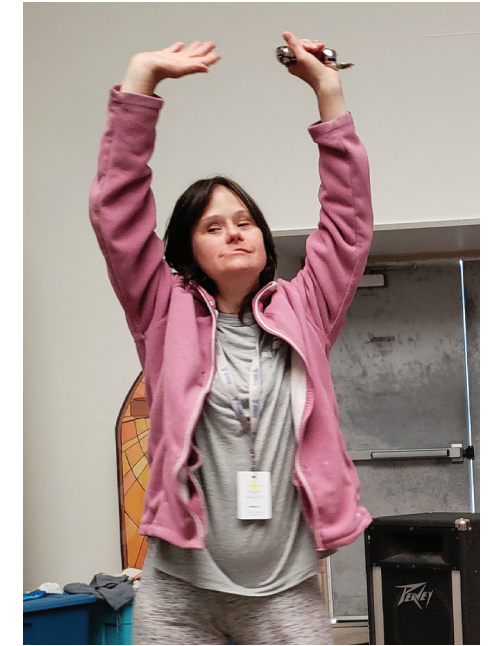

NEW EXPERIENCES

New experiences can be frightening for anyone but for someone with limited communication means, even more so. But for Jessica, who is deaf and communicates using sign language, her first time at camp was an exciting adventure!

New people, foods and experiences were faced head on and met only with smiles and enthusiasm as Jessica soared through the week. On awards night, Jessica was called up for "Camp Flourish's Most Expressive Camper" in front of all of her peers and Rehoboth staff. Happiest Camper in ASL is waving

your hands. A sweet and emotional silence fell while 110 hands waved for Jessica, who was moved to tears.

Throughout the week, many Rehoboth staff and campers went out of their way to communicate with Jessica, who is also no stranger to teaching ASL (she had already been teaching her Rehoboth staff). Jessica's first experience at camp was a huge success thanks to her Rehoboth supports, at program and at camp; she's already counting down the days until she gets to return!

FLOURISHING ABILITIES

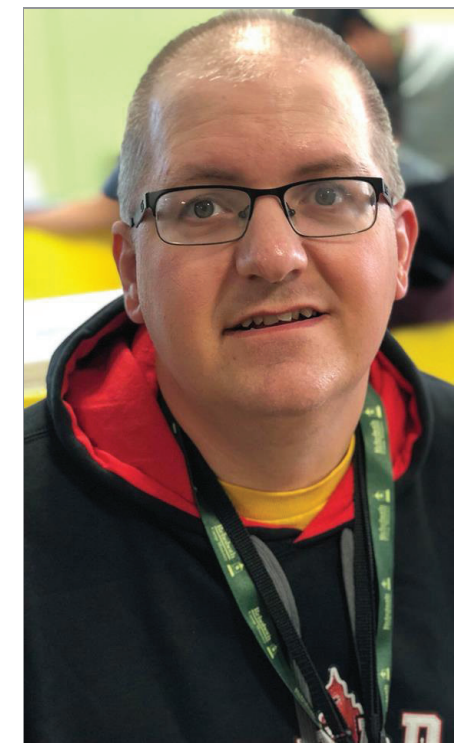

Mark is a very pleasant, easygoing man who always has a smile to offer you. He is quick to learn tasks and has grown in confidence in his time at Rehoboth. All of these traits have formed Mark into a man of many abilities.

Mark's communication skills have greatly increased enabling him to initiate requests, respond to questions, and engage in phone conversations. With Rehoboth staff support and encouragement, Mark now completes many purchases and bank transactions independently.

Mark shines in his day program as well, securing paid employment at Legacy Construction two days a week. He also

became a Rehoboth employee recently and uses his attention to detail in paid janitorial duties, lawn maintenance and snow shoveling throughout the community. As part of his Employment Preparation program, Mark also photocopies for the day program, assists in the New To You store, and completes other assigned tasks. And despite this full schedule, he even finds time once a week to volunteer at the local library.

All of this growth is due to Mark's unwavering hard work and the consistency of his Rehoboth supports at home and work. He is a wonderful example of someone who is grasping the opportunities to flourish!

... TO CLIENTS

DREAMS DO COME TRUE!

Many of us enjoy the thought of saving the world as a superhero or escaping to a galaxy far, far away – but the reality of that is, well, unreal. To get a glimpse of those dreams and enjoy the imaginary worlds of superheroes and space travel, clients and staff from Three Hills went to Comic Con, at the Calgary Expo. They were in good company with thousands of others who dressed up as much-loved or much-loathed characters, played games and met some of their favourite heroes and villains. It was an action-packed adventure of a day and was thoroughly enjoyed by everyone who went; so much so that they stayed as late as they possibly could. From the parade to the virtual reality games, the trip was a hit – and likely to be repeated!

JOY IN GIVING BACK

Flowers have a way of making the heart smile, lifting up a weary soul, and reflecting the beauty of our Creator. And there's a group of local volunteers who believe in just that. Every year a crew of people, usually in groups of two-three, give their time to prep the garden beds, plant a beautiful array of blooms, and weed and water the flowers at the local hospital. Throughout the summer, Rehoboth clients are part of that crew, faithfully watering the gardens at the Three Hills

Health Centre. It's a chance for them to give back to their community and their contribution is greatly appreciated by the staff at the hospital, community members and the residents of the long-term care unit. The clients have been watering the flowers for three years now and it gives them joy to do so – even on those hot summer days!

"Like the petals of flower or the heart warmth of giving; We should be so grateful for the amazing gift of living." – Marinela Reka

BROADENING HORIZONS

Laura is 49 years old and has been supported by Rehoboth for many years, residing with her roommate, in one of Rehoboth's owned homes in Edmonton. She is very kind and caring and has persevered through her struggles with communication and anxiety. Laura loves being active and with support from Rehoboth staff participating in sports such as swimming, bowling and Zumba. Laura also gives back to her community by volunteering weekly at a recreation centre. She is a hardworking lady with a lot of energy

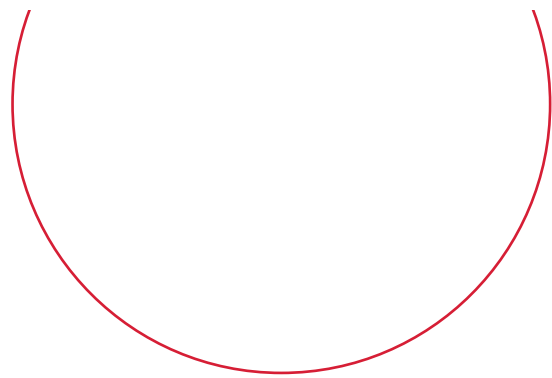

who has been working toward a well deserved holiday: a train trip through the mountains! To prepare for this adventure, Laura and her staff have been practicing riding on Edmonton's LRT, as well as what will be expected of Laura on the trip. Laura's openness to new and chosen activities are helping broaden her social connections and her confidence. Laura's family and her Rehoboth supports are very proud of how she is flourishing.

CAMP FLOURISH!

NEW NAME SAME GREAT PLACE

2019 marked an exciting year for Camp Flourish, formerly Client Camp. Along with the name change, we also introduced a second week in September for clients requiring paid supports. Our first week, held at the end of June, housed over 100 people for a week of fun and fellowship; even through bouts of rain, a good time was

had by all. September was a smaller week, hosting 50 people, and was also one day less; perfect for first time campers! The Kraay Family Farm was a favourite outing for both weeks, taking in the many games available as well as a train ride, ice cream and September campers even found their way through the corn maze.

SUMMER CAMP 2019

“God Helps Me Wherever I Go” was the theme for Rehoboth Christian Ministries – Camp Program this summer, and it was very evident. Following Camp Flourish, we had 122 campers take part in five weeks of Camp, starting with R&R Week, Adult Week 1 & 2, Independent week, and our Youth week. We were also very blessed to have 165 volunteers this summer; our highest total yet!

Camp has four main goals:

1. To share the love of Jesus. This may be the first or only opportunity our campers hear about how much God loves them.
2. Provide a true summer camp experience. Activities like crafts, archery, wide variety of games, chapel, campfire singing, are what makes Camp!
3. Provide fellowship and growth. The leadership and willingness to grow I've seen this summer has been phenomenal. We can't do this without our volunteers and they have been fantastic.
4. Provide a week of respite for parents, guardians, or caregivers.

So many of them have told me what a great place Camp is and how they know their camper will be cared for and loved. If you have been a part of Camp this summer, I can't put into words how huge my gratitude is. If you haven't been to Camp yet, what are you waiting for? We're always looking for new campers and volunteers!

For Him,
Kevin Debree
Camp Manager

This year, the Joyful Noise is the largest it has ever been, with 63 children!

JOYFUL NOISE CHOIR

WHEN GIVING MEANS GIVING BACK

The fortieth anniversary celebration of The Joyful Noise Choir gave the choir's supporters an opportunity to make a contribution to Rehoboth Camp. Funds raised allowed Rehoboth to install a multimedia projection system and screen in the Mess Hall. "Singing works best when everyone can see and participate." That was Rein Selles' message to the Board when the only option was to hand out a few well-worn song books.

"Sometimes the best way to focus the need is to do a demonstration," Rein said. "We put a small portable screen and projector on one of the dining tables and, instead of using the books, over one hundred people in the mess hall could sing together." That demonstration was enough to convince the Board. This fall when the Board meets at Rehoboth Camp with the Joyful Noise, they will all be singing from the same screen.

The Choir also decided to gift their Anniversary DVD and CD recordings to all Rehoboth's group homes and libraries. "We are grateful that this relationship between the choir and the staff and clients of Rehoboth has lasted over 40 years. This is one way we can show our appreciation to everyone in the organization."
