ESTATE DONATIONS POLICY

All designated (restricted) donated funds will be used for the sole purpose for which it was earmarked for by the donating family as soon as appropriately feasible, unless otherwise stipulated within the will of the deceased and/or original terms of the donation.

All undesignated estate funds are to be placed in an internally restricted reserve for the purpose of funding significant capital projects. In order for funds to be withdrawn, the executive director will create a proposal and relevant business case to be presented to the board. Pending board approval, the funds will be released for the design, necessary permitting, and construction of the project. Under no circumstances are the internally restricted estate donations to be used for general operating costs.

Until such a time that the internally restricted estate funds are used they are to held in a separate interest yielding bond account of limited risk exposure. Under no conditions are funds to be used to invest in stocks, shares, ETFs, or any other financial investment that contains inherent financial risk. All interest accrued will remain within the internally restricted estate fund.

FROM THE REHOBOTH BOARD

BOARD PRESIDENT UPDATE

Hello from the Rehoboth Board of Directors. We have had a very busy year meeting, strategizing-and making changes. We take our confidence in moving forward from our Heavenly Father who knows what the clients, staff and board of Rehoboth need each day.

We have had some changes at the board level with Johan Knol and Janet Postma retiring from the board. Johan's second term came to an end and Janet has moved on to other volunteer opportunities closer to home. We are grateful for what both brought to the table and for their caring hearts for our clients. May God bless Janet and Johan in all they do.

We also have the pleasure of welcoming three (yes 3!) new board members: Dan Cuevas from southern Alberta, Marco Van't Klooster from central Alberta, and Rob Duker from the capital region.

We thank all Rehoboth supporters for your ongoing financial support especially since all our fundraiser events were cancelled this year due to the pandemic. Thank you also to our wonderful Rehoboth canvassers out there; please welcome and support them in their important work during our 10 PLUS Membership Campaign in October.

In Christ, Sheldon Kok

EXECUTIVE DIRECTOR REPORT

In times of stress and acute challenges, we find out what people are made of. And the people of Rehoboth – our employees – are made of courage, resoluteness, and level-headedness. That's what the COVID-19 pandemic has shown in brilliant ways every day since March.

Each and every day, Rehoboth employees rolled up their proverbial sleeves to support people with disabilities through trying times, increased workloads, onerous cleaning and sanitizing procedures, and ongoing changes in public health rules and regulations. And as the lock-downs

and gathering restrictions continued beyond weeks and into months, they added innovation to their work and creativity to their team work and services.

Rehoboth employees showed they're made of good stuff indeed. It is inspiring!

Our covenant God has blessed Rehoboth richly with employees that serve with all their heart and mind. May He continue to make His face shine upon us.

Ron Bos

OCTOBER IS **MEMBERSHIP** MONTH

FUNDRAISING **SUPPORT**

Like all non-profit service agencies across North America, Rehoboth Christian Ministries relies on the generosity of donors and supporters to maintain our strong and varied supports to adults with intellectual disabilities.

In these challenging pandemic times, we humbly ask you to continue supporting Rehoboth, or support us anew, with our supercharged 10 PLUS Membership Campaign. Renew or get your new Rehoboth Membership for 10 dollars... PLUS...add a donation to help us replace funds lost to pandemic restrictions.

Rehoboth fundraisers canceled this year included golf tournaments in Edmonton, Calgary, and Lethbridge; the Pork Roast Dinner in Coaldale; the Spring Gala in Three Hills; the Christmas Sale and the summer Car Show and Shine in Stony Plain; plus many more smaller events. All of these events are important because they connect us – Rehoboth employees and

volunteers with you, our community members. We long to connect again at these events, hopefully next summer.

But for now, we can work on a shared opportunity: the 10 PLUS Membership Campaign. Last year's Membership Campaign raised \$186,000 in membership fees and additional donations. We are hopeful and prayerful that this year's 10 PLUS Membership Campaign will surpass that. If you have not been materially impacted by COVID-19, please consider a Rehoboth membership – and a PLUS!

As you can see on pages 22-23 of this edition of *Flourish!* the number of Rehoboth donors and supporters is phenomenal. Personal donors, corporate donors, estate gifts, church collections, and foundations all generously support the ministry of Rehoboth: *facilitating opportunities for people with disabilities to Flourish!*, as *Jesus taught*.

We encourage everyone to support us this month with the 10 PLUS Membership Campaign. 10 dollars for the membership PLUS whatever's in your heart to give. Watch for the Rehoboth canvasser in your church or participate online at rcmflourish.ca.

Thank you. May God bless your generosity.

Rehoboth's first "Ten Plus" Campaign was initiated through the 25th newsletter in August of 1982.

NEW-TO-YOU THRIFT STORE VOLUNTEERS

If you have spent time in the small town of Three Hills, Alberta, then you have likely visited the New to You thrift store and met the volunteer Managers, Bobbie & Wendy. Initially connected to Rehoboth through family, both of these ladies continue to go above and beyond in their support of the organization. They are dedicated, friendly, organized and have true servant hearts. Both have volunteered with Rehoboth for more than five years and in a variety of roles; from committees to events to with clients to finally managing New to You. Since these two ladies assumed their management roles, store sales have increased by well over 50%. Bobbie and Wendy on average, spend 20 hours a week at the store but between volunteer recruitment and staffing, collecting donations, cleaning, organizing and stocking the store as well as promotion, community awareness and a social media page, you can imagine how many hours they give to Rehoboth that aren't tracked.

Bobbie and Wendy, Rehoboth is blessed by volunteers such as yourselves. Thank you for all that do you and for simply being you!

You can get Reboth's *Flourish!* newsletter delivered right to your inbox! Sign up for the e-version at rcmflourish.ca/about/flourish-newsletter.

STAFF PROFILES

The vital work Reboth does would not be possible without the blessing of our incredible staff. During this pandemic, our staff continue to show up for those we support; genuinely amazing us with their creativity, commitment and attitudes. We are

grateful for each and every one of you and what you bring to Reboth.

Recently, we asked staff to tell us about co-workers who inspire them and the responses were heartwarming; here are a few of them.

ALMA, NORTHWEST

Alma, a Client Services Practitioner in Grande Prairie, has been a source of encouragement, advocacy and creativity throughout this pandemic. From games to baking to crafts to movies to outdoor activities to video calls with guardians, Alma is always finding new and fun ways to keep clients engaged. She has been flexible while conditions seemed to change constantly, following protocols, assisting her coworkers in keeping up with changes and maintaining ongoing documentation. On top of everything, Alma has also worked many additional shifts, all the while maintaining her energetic and inspiring demeanor.

DID YOU KNOW?

More than 30 stories were submitted by staff appreciating their co-workers!

DENISE, SOUTH

If you live in Coaldale or have visited Reboth's Greenhouse there, then you know it's the kind of place dreams are made of. It's even been utilized for wedding and graduation photos! This magical place would not be possible without Denise, the Production Coordinator. Denise has been working tirelessly since December, likely even earlier, to start seeds, recruit volunteers and organize and train

clients with their support staff! You can imagine the challenges she faced this year with the pandemic, not knowing if the greenhouse would actually be able to open and then having to cut the number of staff and volunteers to a minimum. Despite these challenges, Denise adapted and overcame to have the greenhouse ready for the wonderful community that consistently supports Reboth.

HOLLIE, EDMONTON

Hollie, a Client Services Coordinator in the Edmonton Region, had her plate full, re-organizing the Vocational Program that was displaced due to the pandemic. But she didn't hesitate to step up and take over the workload of one of her Residential Program co-workers while they were on leave. On top of the ever-changing policies and procedures

around the pandemic, Hollie took on the challenge of learning Residential Program services while still supporting and overseeing the Vocational Program. And if that wasn't enough, Hollie has helped with the distribution of PPE and organizing the region's Quarantine Olympics. From where we can see, there isn't anything she can't do!

WENDY, CENTRAL

One of the greatest pleasures of having our staff recognize each other is that many Reboth staff, who would rather stay in the background, are being put front and centre for their incredible efforts. Wendy, a Client Services Practitioner in Three Hills, is a prime example of this. She has been an asset to Reboth since the day she started; client focused no matter what but preferring not to be recognized. Dealing

with a pandemic, although difficult for all, seems to have made her focus even stronger. Working irregular hours, overtime, working with new-to-her clients was no problem and all done with a smile and grace. And even amidst all this change, Wendy still ensured families stayed connected by assisting clients with video calls or sending pictures to parents and siblings.

JENNIFER, CALGARY

Jennifer, a Client Services Worker in Calgary, strives to make every day the best one possible for the clients she supports and her coworkers. Jennifer is a hard worker with a naturally caring and helpful nature, encouraging her coworkers and assisting them however she can. She takes time to

form individual connections through a genuine interest and understanding of each client and co-worker. Jennifer's positive energy is infectious and irreplaceable. When your days are full of laughter and smiles, who wouldn't want to work alongside her?!

RESPONSE TO COVID-19

TO DATE, IN RESPONSE TO COVID-19, REHOBOTH HAS:

- Cancelled all weeks of the Rehoboth Camp Program for 2020
- Cancelled the three Rehoboth Annual Golf Tournaments we host in Calgary (May 25), Lethbridge (May 30), and Edmonton (June 6).
- Closed the Vocational/Day Programs at all Rehoboth facilities
 - Beginning July, Vocational Programs began to welcome back a limited number of clients served only within the day program on a rotation.
- Cancelled the three-day Self-Advocacy Client Workshop that Rehoboth was hosting, scheduled for March 17-19 at Rehoboth Camp in central Alberta
- Cancelled the Spring Gala community fundraiser in Three Hills
- Cancelled the Show and Shine in Stony Plain
- Cancelled Rehoboth's first multi-regional Walkathon
- Restricted Residential Program client visits into the community in all five regions where Rehoboth operates
- Created Rehoboth's own policy and procedures for visitors, within the guidelines set by the Alberta Government and in consultation with clients and families.
- Increased cleaning regimes in all Rehoboth program and admin areas
- Cancelled region-to-region employee business travel to essential travel with no overnight stays
- Requirement for employees returning from international travel to self-isolate for 14 days
- Reviewed and updated our Pandemic and Business Continuity Plans
- Implemented a new Communicable Illness policy
- Provided employees with timely, relevant COVID-19 pandemic information and Rehoboth messaging through a one-window portal (EWA online Employee Centre)
- Established a new, moderated (by invitation) Facebook page to share information with families and guardians
- Contacting all frontline employees to determine the impact of school closures on their availability to cover shifts
- Supporting administrative and supervisory employees to work from home or to work in scheduled, restricted shifts from our facilities
- Events, fundraisers, volunteer appreciation and any gatherings up to the end of August 2020 have been postponed or cancelled
- Implemented enhanced cleaning procedures, provided PPE supplies and physical distancing guidelines within Rehoboth's Garden Centre in Coaldale and New To You thrift store in Three Hills.

MAKING ●●●

FLOURISHING DURING A PANDEMIC

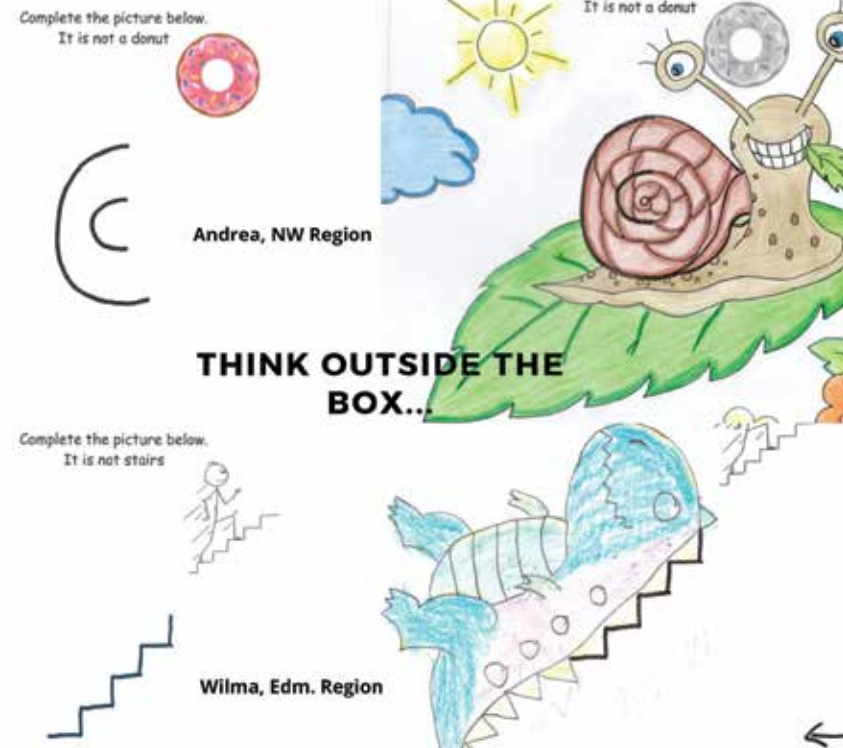

In March Rehoboth clients were quarantined in their homes, away from loved ones and daily activities, to stay safe. But we have seen, staying healthy during a pandemic is more than just avoiding the virus, it is also about keeping mentally and emotionally well. So, to make things a little better, Rehoboth's Client Services Manager for the Edmonton and Northwest regions, Cindy Beyers, with a little help, created the Quarantine Olympics.

Events included a weekly "Think Outside the Box" drawing, a weekly

activity challenge, and Beautify Your Doorstep competition. Hidden talents of Rehoboth clients and staff dazzled and flourished throughout the competitions that truly became more than just games.

Delia, a Client Services Practitioner in Edmonton, is excited to share her experience saying, "The Olympics motivated and elevated the team's spirit to a higher level. They united us and brought out our hidden talents and strengths, which we utilized in different activities. Staff worked

together cooperatively. The fashion show and Zumba were magnificent, spectacular, and hilarious. Everyone worked with enthusiasm, precision and shared the tasks. They really enjoyed the cat walk and walked so majestically like a model. We had lots of smiles and laughter. The Olympic activities were gorgeous, captivating, and challenging. They made us look forward to having more activities and eager to participate each week. The days flew by fast and it did not feel like we were in quarantine. Thanks for everything and coming up with this."

Andrea, NW Region

Wilma, Edm. Region

THINK OUTSIDE THE BOX...

”

"With the Quarantine Olympics, we also build resiliency...Together we become stronger. Grateful"

Agnes Delacruz, Quarantine Queens

”

"My favourite game in the Olympics was the paper throwing game. It was fun."

Clayton McFadden, Umbach Dragons

”

"Best challenge was Zumba; Just enjoyed it, was fun. It makes it easier during the quarantine."

Kevin Evans, Shield Raptors

”

"Best challenge was the paper toss; the most fun thing was the flower planters, and it helped us during the pandemic."

Jack Feth, Shield Raptors

”

"The Olympics were a great way to promote Team Work within the homes. Voc staff and Res staff don't usually get to work this closely together and I think the Olympics has helped to close that gap between us."

... TO CLIENTS

THE NEW NORMAL

Since Covid-19 caused the world to stop, here at Rehoboth we have chosen to look at the simple things in life. Finding new and exciting ways to enjoy life. With support from Rehoboth staff, many clients have been exploring gardening, board games, crafts and spending time with ourselves. Resilience has been a common theme after readjusting, refocusing and regrouping our lives, none of which came with ease. From all areas of Rehoboth, there were days of struggle, increased stress and fears but with support and strength from our teams, we

were able to regroup again. In the end, Rehoboth clients and staff are settling into the “new normals” and realizing that together, we are alright. We take time now to look, to listen and to notice the little things we seemed to miss before the pandemic. Appreciating the abilities we each possess and just be; whether supported or independent, the calming silence and beauty of nature creates a true peace from within. It really is the simple things that bring joy in life and from all of us at Rehoboth, we wish you joy in all things.

DREAM BECOMES REALITY

In April, we were excited to share with you that Andrew’s dream of graduating was finally coming true. What was truly amazing was the support and love he received from his community on the special occasion. The local newspaper shared an article about Andrew’s journey, a local business posted his grad picture in their store window, his church celebrated him in a special service for their graduates, and many friends and family cheered with him over social media.

Due to the pandemic, the graduation ceremony has been put on hold until the fall. However, Prairie Christian Academy still celebrated all the 2020 graduates with a surprise parade, presenting the graduates with a lawn sign of their grad picture and delivering the students’ cap and gowns. Andrew had no idea this was happening but a little bird had spread the word so friends, church family and staff were able to share in joy and recognition! It was a beautiful, socially-distanced evening of celebrating a wonderful man whose dream finally became a reality!

ELDONNA BLENKIN MAY 1944 - JUNE 2020

It’s been said that it does not matter the date you were born nor the date that you passed, what matters is the dash in between. The dash represents your life. For Donna, this dash represents a lot of things. She was one of the kindest, generous, and most loving people who made sure to show that each day of her life. She loved life and everyone who was a part of hers.

during her day program and donating them to Streets Alive, which supports the poverty and homeless sector of Lethbridge. Donna took great pride in her work and was overjoyed when she personally delivered them and discovered how many people needed and valued her donations. Donna made regular donations to Streets Alive over the last three years.

Donna lived in Coaldale and attended the Retirement Program in Lethbridge; spending much of her time on one of her favorite activities, knitting. She was extremely grateful to her Rehoboth staff for teaching her to knit and encouraging her through each project. Not only was knitting a passion of Donna’s but so was serving and helping others. Alongside her support staff, the two began knitting scarves and toques

Even in her passing, Donna’s legacy of giving will continue through a fund created to make a larger donation in her name. This donation will be given to Operation Eyesight, which aids people in third world countries to receive cataract surgery, giving them back their sight.

When she wasn’t donating her time, Donna spent time with her friends and

family, enjoying ladies night out with her roommate or regular visits with her brother.

Donna will be truly missed by everyone that knew her and shall never be forgotten.

CAMP MINISTRY

FACILITY UPGRADES

It has always been said that God provides a dome of protection over Camp and this year is no exception. In April, Rehoboth had to make the difficult decision to cancel our rental groups and summer Camp Ministry for the safety and protection of those who utilize the facility. We have heard from many people that while this was disappointing, the decision was understandable.

With the cancellations, Kevin and a small team have been able to focus on completing some maintenance items and building new activities to make Camp an even better place for fun and fellowship. Recently completed was

the new chess board and a 9-square game while the work continues on transforming the old mini-golf course into disc golf and a trail system with benches and obstacles behind the cabins.

All of us involved with Rehoboth's Camp Ministry are eagerly looking forward to having an awesome Camp season in 2021 complete with seeing old friends and making new ones!

For ongoing video updates of Camp, follow Rehoboth and Rehoboth Camp Ministry on Facebook or check out the Rehoboth Alberta YouTube Channel.

JOYFUL NOISE CHOIR

CHOIR AT A DISTANCE

The Joyful Noise Choir had their season ready to go in March with music, worship and service dates, choir camp and a joint open house with Emmanuel Home. Fifty-five children registered in April prepared to sing and work together in support of Rehoboth. By June's Open House, however, it was made clear that no children's choir would be permitted to meet and sing during the Covid-19 outbreak.

Rather than cancelling the season, the Joyful Noise will continue working together but at a distance. That began with the "Drive Through" open house in

June where the children received their music, uniforms and had their pictures taken.

The choir will be experimenting with singing on-line using Zoom in the Fall. The goal is to permit the children to continue learning their repertoire from home and to sing with their leaders. Should restrictions be lifted, the choir will be ready to close the distance.
